Feeling wicked? Then beware, as no sin will go unpunished at The Mansion's lavish Halloween Ball. Held in a secret W2 venue on spooky Saturday November 1 (9pm-3am), fancy dress is mandatory, so expect the ghoulish and ghastly to be filling the venue's two dance floors. But this will be no ordinary frightfest, oh no. Expect classic horror movies projected onto the walls, female vampires pouncing from hanging cages and body painter Miss Anna making sure you look suitably devilish. Tickets start at £16.50. See [themansionlondon.com](http://themansionlondon.com) for more information.
